

UC San Diego Health Accountable Care Network

Patients with Medicare coverage have the right to choose any doctor or hospital that accepts Medicare. UC San Diego Health Accountable Care Network is a Medicare ACO – a group of doctors and hospitals who work with Medicare to give patients more coordinated service and care. The providers listed here are a part of our ACO and have been evaluated to ensure they can provide high-quality care.

Our ACO Participants

UC San Diego Health

Refer to health.ucsd.edu/locations for locations with addresses

Skilled Nursing Facilities

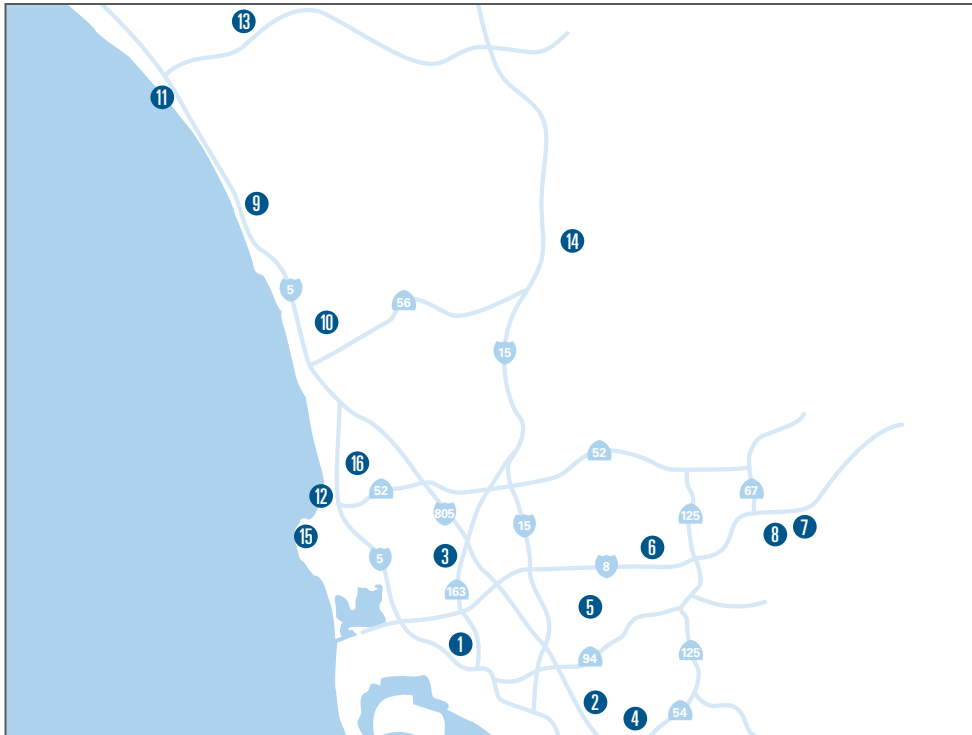

Medicare allows Shared Savings Program ACOs to partner with eligible Skilled Nursing Facilities (SNF) in a SNF 3-Day Rule Waiver program to provide care without the advance requirement of a 3 day inpatient stay. Working with the identified SNFs under the SNF 3-Day Rule Waiver program provides beneficiaries assigned to UC San Diego Health Accountable Care Network with the care setting that best meets their care needs, and provides timely and seamless communication / transition between ACO participants and SNF affiliates.

Although ACO beneficiaries may use the SNF of their choosing, the ACO's SNF Affiliates must be used to qualify for the SNF 3-Day Rule Waiver program. For more information, please reference the ACO's SNF 3-Day Rule Waiver Process Workflow and SNF Communication Plan in your ACO Participant Toolkit.

Before selecting a skilled nursing facility, we recommend patients conduct their own research by taking facility tours, checking public reports about the facilities, and talking with family and friends. Our care coordination staff can provide more information and help you with this process.

For more information about post-hospital care, call us at [1-844-827-3264](tel:1-844-827-3264).

See a list and map of UC San Diego Health Accountable Care Network SNF Affiliates covered under the 3-Day Rule Waiver on the reverse side.
