

UC San Diego Health

Better Care for Seniors

Choosing good health care is a priority for you. And we have you covered with our expanded network of doctors and locations, as well as nationally ranked hospitals, specialty care and more.

Learn why you should switch to UC San Diego Health.

More Reasons to Choose UC San Diego Health

Good health begins with finding the right provider who can coordinate all the services you need. Our geriatrics care was ranked #13 in the nation by *U.S. News & World Report* in 2020. UC San Diego Health was named the #1 health system in San Diego, with nine other specialty programs – including cancer care, orthopedics, and cardiology – ranked among the nation's top 50 programs.

Convenient Primary Care

Visit locations throughout the county, including new offices in Rancho Bernardo, Encinitas or Eastlake – or our Medicine for Seniors clinic in La Jolla.

Age-Friendly Services

Our health coaches and care management advisors help you get the most out of your health insurance.

Senior Emergency Care Unit

Our La Jolla health campus is home to the first emergency room in California designed just for seniors.

Same-Day Care

For everyday illnesses or urgent health needs, walk in or save your spot online at our Urgent Care and Express Care locations.

Simple Online Tools

The MyUCSDHealth app supports online scheduling, video visits, messaging with your doctor and prescription refill requests.

Prescription Assistance

Our pharmacists and physicians have special training in managing all your medications.

World-Class Cancer Care

Our NCI-designated Comprehensive Cancer Center offers leading-edge treatments and the widest selection of clinical trials.

Cardiovascular Institute

Our comprehensive cardiovascular services are ranked among the top 50 in the nation for cardiology and heart surgery.

Memory Disorder Care

San Diego's only certified memory evaluation center is a destination for early diagnosis, intervention and treatment.

Joint Care and Orthopedics

We offer innovative treatments – both surgical and nonsurgical – for hips, knees, shoulders and spines.

Medicare Advantage Leader

We are recognized as a five-star care provider for Medicare Advantage patients by the Integrated Healthcare Association.

Switching Your Care to UC San Diego Health

It's easy to make the change. The first step is to check your insurance coverage and make sure you can access our providers and services. Call us at **858-249-3560** or visit health.ucsd.edu/insurance.

Find the right primary care provider for you:

- Search our Find a Provider network at providers.ucsd.edu for profiles, specialties, locations, videos and other helpful information about UC San Diego Health providers and affiliated doctors. Or call us at **800-926-8273** and we'll help you find the right provider.
- Choosing any doctor in our network as your PCP also gives you access to all our world-class specialty care services.
- All our providers, including UC San Diego Health doctors and affiliates, meet the highest quality standards.
